Ghazal Ghorabi

About Me

As an aspiring software engineering student at Chalmers, I am seeking an internship opportunity to gain experience in challenging projects and explore the technologies that define the future. Beyond the technical aspects, my motivation for choosing this field was the desire to have a positive impact on the world and work on meaningful projects. My goal is not only to enhance my technical and soft skills but also participate in projects that align with my vision of fostering positive changes through technology, while contributing to innovative projects, gaining valuable hands-on experience, and furthering my growth in the dynamic field of technology.

Education

BSc and MSc • Auguste 2022-june 2027 • Chalmers University of Technology

I'm currently a second-year software engineering student. At Chalmers, I gained practical experience with various programming languages, including Java and Python, through group projects. These projects involved working with additional languages such as HTML and CSS. Utilizing frameworks such as Svelte and React and tools like GitHub and Gitlab throughout these collaborative projects. These experiences enhanced my technical skills and familiarized me with industry-standard tools for efficient code management and collaboration.

Diploma • auguste 2018-june 2021 • Gullmarsgymnasiet

Diploma in Natural Sciences

Experience

Nursery teacher • Sotenäs municipality • november 2021-june 2022,

Worked as a substitute nursery teacher in various departments within Sotenäs municipality's preschools. Responsibilities include team collaboration, adaptability to change between different departments, working in diverse teams, effective team management and even practice problem-solving in a dynamic environment.

Cashier • Coop • june 2021-october 2021| july 2022- auguste 2022,

Held roles in two different coop locations, primarily working in the checkout and mail department, where I developed customer service skills, engaged in effective teamwork with colleagues to ensure smooth operations, developed strong time management skills and learning to navigate high-pressure and high-stress situations.

Waitress • Bella Gästis restaurant • june 2019-auguste 2019,

Focused on the serving process, emphasizing customer experience and satisfaction. This role provided practical learning in stress management and efficient time handling in a fast-paced restaurant environment.
